

GRANT RESEARCH PLAN WORKSHEET

A. Specific Aim 1: *Define* _____

1. Sub-aim 1a: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

2. Sub-aim 1b: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

3. Sub-aim 1c: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

Define Deliverables for Specific Aim 1 _____

B. Specific Aim 2: *Define* _____

1. Sub-aim 2a: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

2. Sub-aim 2b: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

3. Sub-aim 2c: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

Define Deliverables for Specific Aim 2 _____

C. Specific Aim 3: *Define* _____

1. Sub-aim 3a: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

2. Sub-aim 3b: *Define*

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

3. Sub-aim 3c: *Define*

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

Define Deliverables for Specific Aim 3

D. Specific Aim 4: *Define*

1. Sub-aim 4a: *Define*

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

2. Sub-aim 4b: *Define*

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

3. Sub-aim 4c: *Define* _____

a. Describe Experimental protocol(s)

b. Define Deliverables and Go/No Go decision points

c. Describe Potential problems/proposed solutions

Define Deliverables for Specific Aim 4 _____

Define Deliverables for the whole proposal _____

Next steps after the completion of this proposal _____
